Subject: Vegas to Reno Off-Highway Vehicle Race 2019

Dear Stakeholders,

Best in the Desert (BITD) will be sponsoring their annual Vegas to Reno desert race on public lands managed by the Bureau of Land Management (BLM) that fall within the Tonopah, Stillwater and Sierra Front field offices. The race event is scheduled to start on Friday, August 16th at approximately 5:15 a.m. near the town of Beatty, Nevada with the final participants finishing near the town of Dayton, Nevada around 11:00 a.m. on Saturday, August 17th.

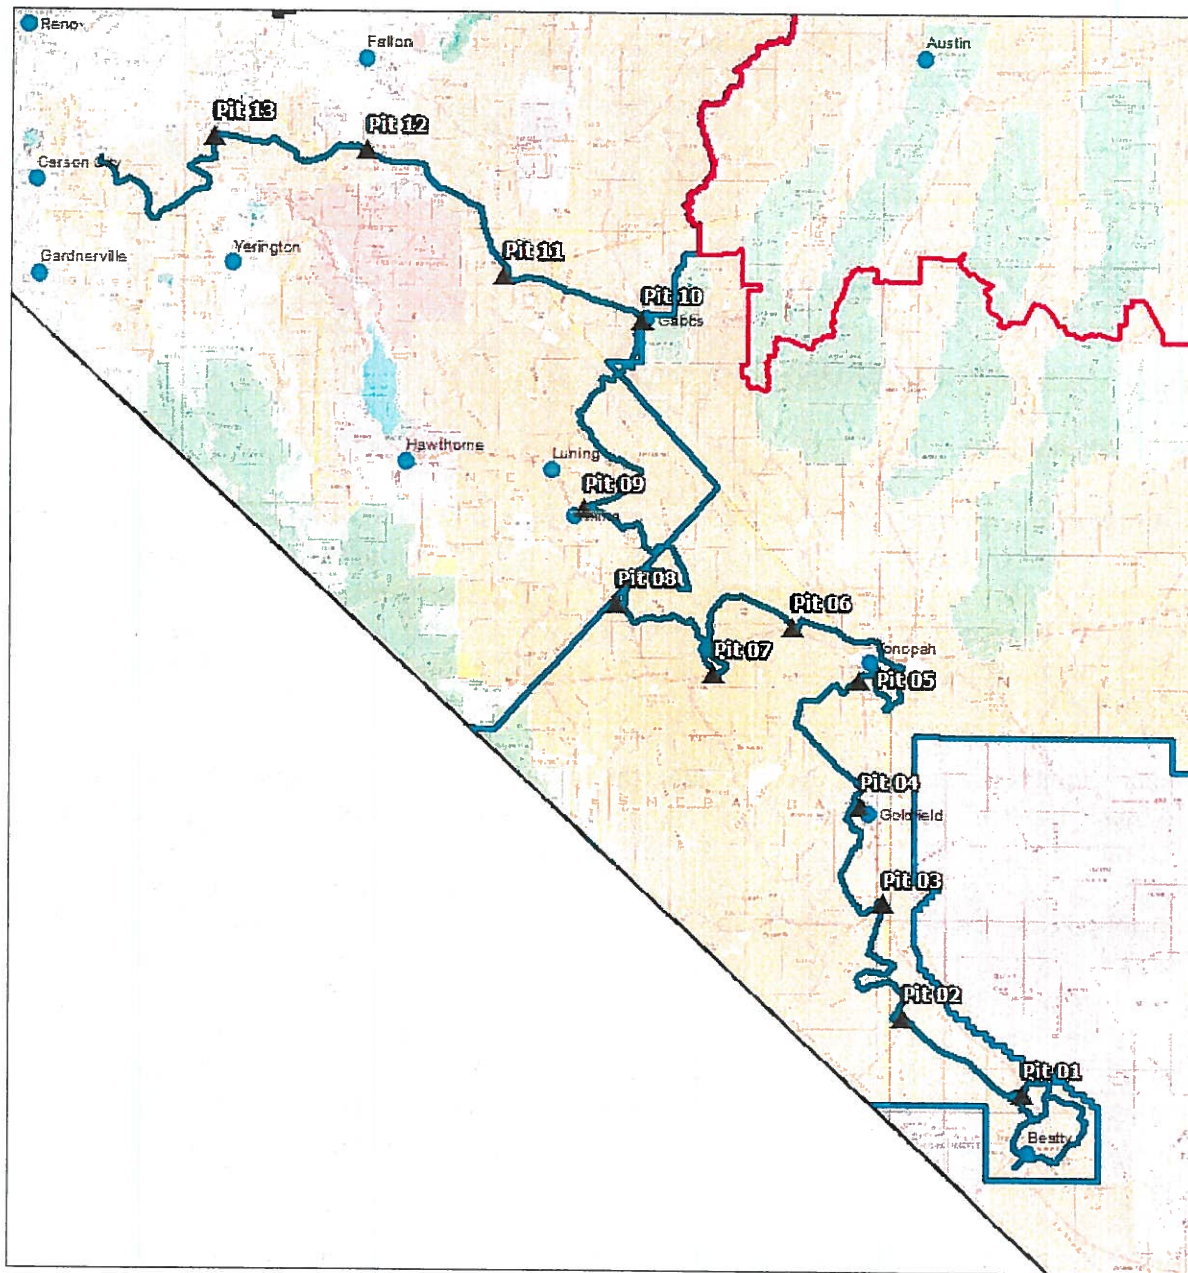

You are being notified of the event because the race course will cross through or run near your allotment, right-of-way, claim, county road or other interest on public lands. Please keep in mind that the course may be using roads that you use to access your site on that Friday and Saturday so plan accordingly. In order to provide for public safety, BITD race officials will be controlling traffic along the race route and several access roads until the last race vehicle has passed.

Hopefully this event, which is in compliance with the BLM's mission to provide multiple uses of public lands under the 1976 Federal Land Policy and Management Act, will cause little or no inconvenience to you or your staff. The State of Nevada, Esmeralda, Mineral, Churchill, Nye and Lyon counties support this event to bring tourism and economic stimulus to rural areas.

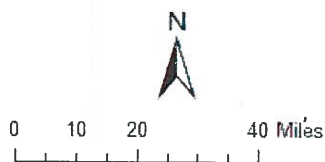

If you have any questions please contact Paul Amar Outdoor Recreation Planner at 775-885-6000. Thank you for your cooperation.

Sincerely,

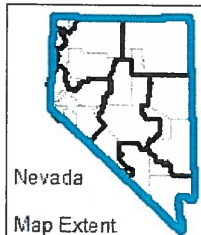

Colleen Dulin
